PROMOTES AND MAINTAINS HEALTHY SKIN  
AND COAT – FROM THE INSIDE, OUT!

#### FEEDING DIRECTIONS:

**Horses & Cattle:** When starting this product, top-dress at the rate of 1 scoop or more daily per 1000 lbs of body weight for two to three weeks. Then, maintain at an amount of ½ scoop or more daily. For difficult situations, up to 4 scoops per 1000 lbs. body weight may be given daily. Each scoop (provided) equals 1 oz.

**Sheep & Goats:** Top-dress ½ scoop or more daily per head. Each scoop (provided) equals 1 oz.

**Storage and Shelf Life:** LACTO-SACC® contains viable microorganisms and should be stored in a cool, dry place. Open containers should be resealed. Shelf life under these conditions is 18 months.
