While gardening can be all in good fun, dirt is, well...dirty. We like to keep it clean by wearing our trusted gardening gloves when gardening and by washing our hands after.

Si bien la jardinería puede ser divertida, la suciedad es... simplemente sucia. Para mantener nuestras manos limpias mientras realizamos tareas de jardinería, debemos usar guantes y lavarnos las manos al finalizar.

If you're making this a family affair, kids need grown up supervision. Si hace de la jardinería una actividad familiar, recuerde que los niños necesitan la supervisión de un adulto.
