

Pyranha[®]

ODAWAY[®] contains a blend of biodegradable non-toxic botanical extracts that are generally regarded as safe (GRAS) for the environment and to the ozone.

PRECAUTIONARY STATEMENTS
 May cause eye and skin irritation. Avoid contact with eyes and skin. If in eyes, flush thoroughly with water. If on skin, rinse with plenty of water. If irritation persists, consult a physician.

When spraying on carpet or fabric, test a small area for color fastness.

TOTAL NEUTRALIZATION OF UNPLEASANT ODORS

Modifies the most unpleasant odors at the source without heavy perfuming. Absorbs and destroys odor on contact leaving the air fresh and clean.

ODAWAY[®] odor absorber controls a wide range of odors.
FOR USE IN BARN AND LIVESTOCK AREAS
 It is the perfect complement to Pyranha[®] Insecticide.

FOR USE IN THE HOME

It works great around the home and can be misted in the air or applied directly to the source of unwanted odors.

DIRECTIONS FOR USE

FOR AUTOMATIC MISTING SYSTEMS:
55 GALLON SYSTEM: Pour one full container of **ODAWAY[®]** along with Insecticide into system barrel and fill with water.
30 GALLON SYSTEM: Pour two quarts of **ODAWAY[®]** along with Insecticide into system barrel and fill the rest with water.

FOR DIRECT APPLICATION:
 Mix one part of **ODAWAY[®]** with 5 parts of water (1:5) and apply with sprayer bottle.
GENERAL USE: Lightly spray carpet, furniture, drapes, A/C filters, clothing, equipment.
KENNELS, CAGES, STALLS, BEDDING, TRAILERS, BARN, HOME, AUTO: Mist in the air or directly spray on surfaces. Repeat as needed. Do not over-spray to saturation.
LAUNDRY: Add 1-2 oz. to the final rinse.
CLEANING: Mix 2-4 oz. per gallon of water.
SKUNKED PET: Mix one part of **ODAWAY[®]** with one part of water (1:1) and apply with sprayer bottle. Fully rinse pet, spray the animal with **ODAWAY[®]** paying extra attention to the skunked area and work thoroughly into the coat. Completely rinse and spot treat if needed. Use your favorite shampoo as directed, then dry.
