DEER B GON™

**DEER & RABBIT
REPELLENT** *READY-TO-SPRAY*
REPELENTE CONTRA VENADOS Y CONEJOS LISTO PARA ROCIAR

Long Lasting • "No Stink" Formula

EASY STEPS TO PROTECT YOUR YARD AND GARDEN FROM DEER & RABBITS!

DIRECTIONS:

- **Shake container well before using.**
 - Connect bottle to end of hose and turn on water. Point sprayer towards the area to be treated and turn knob to the ON position.
 - Lightly spray plant leaves, stems, flowers and branches that need protection, making sure plants are covered from all angles. Do not overspray. When used near edible crops do not allow this product to contact any plant which is grown for human or animal consumption.
 - To stop spraying, turn the knob to the OFF position. Turn off water. To relieve water pressure turn knob to ON position until water slows to a drip. Turn knob back to the OFF position and disconnect hose.
 - Allow 20 minutes for product to dry before watering of any kind.
 - Repeat application as needed, usually every 30 days or at the first sight of new damage.
- This product can be applied in any climate or temperature as long as spray head and liquid are not frozen. If product freezes, return to room temperature and use according to directions.
