NET CONTENTS: 16 FL OZ (473 ML)

PuriShield™ Skin Spray is an effective, one-stop solution for topical skin irritations exclusively formulated with Purifect™ Technology. Purifect™ Technology supports the body's naturally occurring immune response to serve as the first line of defense in helping your horse heal his skin. Deep-penetrating formula helps bring relief to the affected area and may help minimize scarring of unsightly conditions. Contains NO steroids, antibiotics, alcohol or harsh chlorine. PuriShield™ Skin Spray is non-toxic, non-irritating, non-stinging and non-staining. Veterinarian recommended!

Indications: For the management of rain rot (rain scald), scratches (dew poisoning, greasy heel, mud fever), skin irritations, skin abrasions, scalding from scours and foal diarrhea, rubbed skin, blanket rubs, chapping, dry patches, burns, rashes, post-surgical sites and other wounds involving underlying dermal tissue layers.

Ingredients: Cholan-24-oic acid, 3,7,12-tris(3-amino-1-oxopropoxy)-octyl ester (3 α ,5 β ,7 α ,12 α) - (Purifect Technology) 0.04%

Inactive Ingredients: Water, Propylene Glycol, Lactic Acid

Storage: Store at room temperature. Efficacy is unaffected by exposure to sunlight or freezing.

Directions for Use: Adjust the spray nozzle to "on" position. Apply PuriShield™ Skin Spray liberally to affected area once or twice daily, or as often as needed, until healing takes place. Spray from a distance of 2 to 4 inches. Do not rinse or wipe off; allow spray to dry naturally.

For external use only. In case of severe skin disorders, consult a veterinarian. If irritation develops or condition persists, discontinue use and contact your veterinarian. Not for human use.

Keep out of the reach of children.
