Monty's is asked for by name by Master Gardeners, Garden Clubs and avid gardeners everywhere! The natural science behind Monty's began over 25 years ago as champion rose grower, Monty Justice, was looking for a superior plant food. His original formula has grown into a line of quality products that are used by homeowners, commercial landscapers and farmers across the country.

Monty's All-Purpose Plant Food can be used on all plants including trees, shrubs, flowers and vegetables from emergence thru maturity, when general growth and overall plant vigor is desired.

Application Rates: May be applied weekly, bi-weekly, or monthly depending on the desired results. May be applied to the soil with a watering can, soaker hose or drip irrigation. May be foliar applied (misting of leaves) with pump-up or hose-end siphon type sprayer. Spray in the early morning or evening when the threat of evaporation is diminished. Monty's is rainfast in 2 hours. Monty's All-Purpose Plant Food is a concentrated liquid plant food that should be diluted before using. Dilution rate is 1 ounce per 2-3 gallons of water.
