# PRO-PELL™

## WARNING: KEEP OUT OF REACH OF CHILDREN.

**PRECAUTIONARY STATEMENTS:** May cause moderate eye irritation. Wear protective goggles/glasses, gloves. Odor may offend individuals if sprayed in living areas.

**FIRST AID:** Measures after inhalation: Remove person to fresh air and keep comfortable for breathing. Get medical attention if symptoms develop or persists.

**First Aid:** Measures after skin contact: Remove contaminated clothing and wash exposed skin with soap and water. If irritation or rash develops, discontinue use. Get medical attention if irritation persists.

**First Aid:** Measures after eye contact: Flush eyes with plenty of water for 20 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get immediate medical attention.

**First Aid:** Measures after ingestion: Rinse mouth. Do not induce vomiting unless directed by a doctor or physician. If large amounts are swallowed, seek medical attention.

**Most important symptoms and effects, both acute and delayed:** Contact causes severe eye irritation and possible damage. Inhalation of mists may cause mild respiratory irritation. May cause allergic skin reaction in some individuals. Indication of any immediate medical attention and special treatment needed immediate medical treatment may be required for direct eye contact.

PRO-PELL is made up of essential oils that contain the smells and tastes that rodents hate. The oils bind to the foundation and are not easily washed off. 1 gallon of finished material covers approx. one 2000sq ft home. Plugging entrance holes with steel wool may increase the effectiveness of this product.

## PESTS INCLUDE: Mice & Rats

**USE Sites:** In and around structures, including but not limited to: residential, multi-family, commercial, industrial, municipal, institutional, retail, research, recreational, health care, educational, daycare, hospitality and agricultural buildings and other man-made structures; feed lots, fence lines, garages, greenhouses, sheds, outbuildings, indoor plant scapes, mausoleums and boat houses; vent stacks, drains and sewers, urban areas, animal rearing and handling establishments, food service, handling and/or processing establishments, mushroom houses, kennels and zoos. Transport vehicles, including: trucks, trailers, trains, rail cars, buses and other cargo vessels.

## NOT FOR AQUATIC USE.

If treating a surface for the first time such as vinyl, plastic, aluminum, brick, stone, stucco, decks, etc. test a small non-visible area first before spraying.

It is possible that Pro-Pell may mar some sensitive surfaces.

Directions for use:

1. Mix 12 oz of concentrate with 1 gallon of water.
2. **Shake well** before each use.
3. Apply with hand pump, backpack sprayer or mister
4. Apply with a coarse fan spray or mist
5. Apply every 30-60 days or as needed
6. Read entire label prior to use

**STORAGE & DISPOSAL:** Do not contaminate water, food or feed by storage and disposal. Store product in original container in a cool, dry area away from children and pets. Excess mix may be kept in a labeled container, away from children and pets for future use. **CONTAINER DISPOSAL:** Do not reuse container. If empty: Offer for recycling if available or discard in a sanitary land fill. Thoroughly wash out sprayer prior to other uses.
