- SKU ETP0016 Size 16 oz
- SKU ETP001 Size 32 oz

Benefits

- Mix with Water for Multiple Uses
- Safe for Children & Pets
- Plant Based Ingredients
- 100% Biodegradable & Non Toxic
- Spray & Play Lawn with No Wait Time
- Controls Flying, Biting, Crawling Pests
- No Harm to Beneficial Insects, Pollinators or Amphibians
- Add to Wash with Pet Bedding

How Does it Work?

EcoTreat is a bio-based alternative to common synthetic pesticides (permethrin & pyrethroids). With EcoTreat and tap water, one concentrate controls hundreds of insects, spiders & venomous snakes. Stronger mixtures enhance results without damaging side effects. Dilution ratios vary by application. EcoTreat can be applied with any applicator. EcoTreat can be used inside for routine pest control without stain or residue. For indoor infestations, use Wondercide BioDefense®. EcoTreat can safely be used inside and outside without danger to pets, people or property.

Ingredients: 100% Concentrate: Organic Cedar Oil, Ethyl Lactate (corn oil by product)

Kills and repels: Mosquitoes, Fleas, Ticks, Ants, Chiggers, No-See-Ums, Mites, Moths, Japanese Beetles, Scorpions, Carpet Beetles, Mole Crickets, Termites, Box Elder Bugs, Silverfish, Roaches, Palmetto Bugs & Numerous other Non-Beneficial Insects

Uses

EcoTreat™ is a multi-use, water soluble concentrate for indoor and outdoor pest control applications. This all in one concentrate can be used in homes, offices, warehouses, food production facilities, lawns, gardens, golf courses, dog runs, parks and more. EcoTreat is a powerful yet natural alternative to chemical pesticides. *EcoTreat offers more product at a lower price “*treatment for treatment*”. It is so safe & easy to use, anyone can apply it!

*COMPARED TO OTHER CONCENTRATES, “READY TO USE” PRODUCTS & PEST CONTROL SERVICE COMPANIES
