

FIRST AID

If on Skin or on Clothing:	<ul style="list-style-type: none">• Take off contaminated clothing.• Rinse skin immediately with plenty of water for 15-20 minutes.• Call a poison control center or doctor immediately for treatment advice.
-----------------------------------	---

Have product container or label with you when calling a poison control center, doctor, or going in for treatment.
For 24-hour emergency information on this product,
call 1-800-498-5743 (US & Canada) or 1-651-523-0318 (all other areas).

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through the skin. Avoid contact with skin, eyes, or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

Do not use on puppies under 12 weeks. Consult a veterinarian before using this product on debilitated, aged, pregnant, nursing animals, or animals on medication. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. **Do not use on cats.**

ENVIRONMENTAL HAZARDS

This product is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run-off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

This product is highly toxic to bees and other pollinating insects exposed to direct treatment or residues on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees or other pollinating insects are visiting the treatment area.

**READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS, HORSES, AND FOALS**

PROZAP FLY-DIE EQUINE SPRAY

PYRETHRINS-PERMETHRIN
WITH CITRONELLA

 **Controls fleas and ticks on dogs

For Use on Horses and Foals to Control:

- Stable flies
- Deer flies
- Horse flies
- Face flies

Net Contents:
32 fl. oz. (946.4 mL)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ THIS LABEL: Read this entire label and follow all use directions, use restrictions, and precautions.

Do not use this product in or on electrical equipment.

Shake Well Before Using

USE RESTRICTIONS

- Except when applying to pets, do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.
- Except when applying to pets, do not allow adults, children, or pets to enter the treated area until sprays have dried.
- Remove or cover exposed food and drinking water before application.
- Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.
- Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.
- Do not apply as a broadcast treatment to indoor surfaces at residential sites, including nurseries, day care centers, schools, hospitals, and nursing homes.
- Not for use in outdoor residential misting systems.
- Do not apply or allow product to come into contact with cats or kittens.

TO CONTROL FLEAS AND TICKS ON DOGS For 14 Days

Do not apply to or allow product to come into contact with cats or kittens.

Applied as a Spray:

Start spraying **Prozap Fly-Die Equine Spray** at the tail, moving the dispenser rapidly and making sure that the animal's entire body is treated, including the legs and underbelly. Fluff the hair while spraying so that the spray will penetrate to the skin and thoroughly wet it. Do not spray into eyes or face. Avoid contact with the genitalia.

(continued on reverse side)

Item No. 1777520

OVERLAP AREA
5" HEIGHT x .5" WIDTH

VISIBLE PANEL

(Directions for Use, continued)

Applied as a Dog Dip:

Wet the dog with water before treatment. Sponge or pour **Prozap Fly-Die Equine Spray** on the dog until its fur and skin are thoroughly wet, making sure that the animal's entire body is treated, including the legs and underbelly. Do not treat dog's face. Avoid contact with the genitalia.

To Use as a Wipe:

To Control Stable Flies, Horse Flies, Deer Flies, and Face Flies on dogs:

Apply **Prozap Fly-Die Equine Spray** liberally to a clean sponge, cloth or towel. Cover pet's eyes with hand. Wipe head, ears, and chest until damp. Rub into face around mouth, nose, and eyes, avoiding direct contact with the eyes. For best penetration to the skin, direct wipe against the normal lay of the hair. Make sure wipe thoroughly wets ticks. **Do not use on puppies, cats or kittens.** Repeat as necessary.

HORSES

To Use as a Wipe:

To Control Stable Flies, Horse Flies, Deer Flies, and Face Flies on horses:

Apply **Prozap Fly-Die Equine Spray** liberally to a clean sponge, cloth or towel. Do not treat nursing foals. First, brush animal to remove excess dirt and dust. Rub wipe into face and around mouth, nose, eyes, ears, and areas where flies are often seen. Then wipe the neck, legs, shoulders, and flanks. Avoid using excessive amount and do not wet skin. After application, brush thoroughly to bring out a bright sheen on coat. Make sure that spray has completely dried before covering any tack. Repeat as necessary.

TO CONTROL FLEAS AND TICKS ON PREMISES

Apply **Prozap Fly-Die Equine Spray** as a direct spray to control accessible stages of fleas and ticks. Spray to lightly dampen absorbent and non-absorbent surfaces, but do not allow run-off to occur. Apply as a direct spray to infested areas as a spot treatment to pet beds and resting quarters, cracks and crevices, and floors and floor coverings. Repeat as necessary. Do not apply or allow product to come into contact with cats or kittens.

TO CONTROL CRAWLING INSECTS

For Control of Accessible Stages of Crawling Insects, Cockroaches, Ants, Spiders, Silverfish, Sowbugs (Pillbugs), Centipedes, and Crickets:

Apply **Prozap Fly-Die Equine Spray** as a direct spray. Spray to thoroughly wet exposed insects. Direct spray into hiding places, cracks and crevices, along baseboards, and around door and window frames

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry and secure area. Store in original sealed container away from food or feed.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

CONTAINER HANDLING: Non-refillable container. Do not reuse this container.

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

To the extent permitted by applicable law, Manufacturer and Seller warrant that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. To the extent permitted by applicable law, this warranty does not extend to the use of this product contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to or beyond the control of Seller or Manufacturer, and Buyer and User assume the risk of any such use. To the extent permitted by applicable law, MANUFACTURER AND SELLER MAKE NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.

To the extent permitted by applicable law, in no event shall Manufacturer or Seller be liable for any incidental, consequential or special damages resulting from the use or handling of this product. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES, OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY, OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF THE MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.
