PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact CHEMTREC: 1-800-424-9300 or 1-703-527-3887 for emergency medical treatment information.

IF ON SKIN OR CLOTHING:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

IF SWALLOWED:

- Immediately call a poison control center or doctor.
- Do not give any liquid to the person.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

IF INHALED:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.

NOTE TO PHYSICIAN: Contains petroleum distillates - vomiting may cause aspiration pneumonia.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

Please Recycle

KILLS & REPELS

Stable Flies	Deer Flies	Horse Flies	Face Flies
House Flies	Mosquitoes	Horn Flies	Gnats

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS:

- Except when applying directly to horses, do not allow adults, children or pets to enter until sprays have dried and treated area has been thoroughly ventilated.
- Except when applying to horses, do not apply this product in a way that will contact adults, children or pets, either directly or through drift.
- Remove or cover exposed food and drinking water before application.
- Not for use on horses or foals intended for slaughter.
- Do not allow product to contact animal's eyes, nose, mouth or sores during application.
- Do not use on foals under 12 weeks old.
- Remove feed and water prior to treatment.
- May cause skin irritation on sensitive horses.
- If irritation occurs, hose the horse with water to remove the product. If irritation persists, contact a veterinarian.

USE TO WIPE ON:

First, brush animal to remove dirt and dust. Moisten (but do not wet to the point of dripping) a soft cloth and rub over the hair. It is best to apply by rubbing against hair growth. Give special attention to legs, shoulders, shanks, neck and facial areas where flies are most often seen. After application, brush out thoroughly to bring out bright sheen on the coat. Repeat daily as needed.

USE AS A SPRAY:

WIPE N' SPRAY™ may be applied as a fine mist to stable area and over and around stabled horses for fast paralysis and kill of flies. Do not wet the horse's skin or exceed two ounces per application.

STORAGE & DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Store in a cool, dry place. Do not store near heat or open flame.

Pesticide Disposal and Container Handling: If empty: Non-refillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
