REDMOND ROCK™

6

Benefits of Redmond Rock™

TRIGGER FOR HYDRATION

Redmond Rock helps trigger your horse's urge to drink more water.

IMPROVES VITALITY

Your horse's blood has the same mineral balance as ocean water. The complete balance of sea minerals in Redmond Rock contributes to the overall wellbeing of your horse.

PREFERRED BY HORSES

When given the choice, 9 out of 10 horses prefer the taste of Redmond Rock over other salt products.

DIGESTIVE SUPPORT

Natural salt and water are vital for a thriving digestive system.

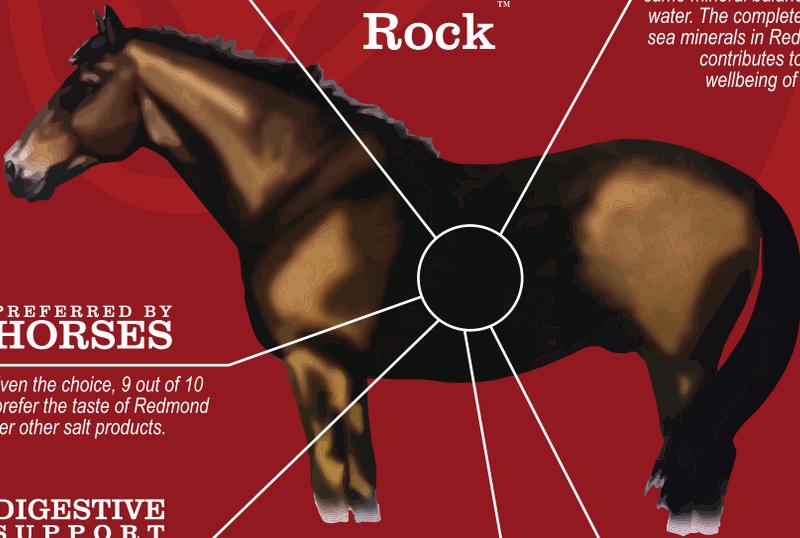

IMPROVES PERFORMANCE

Redmond Rock provides a feeding option that allows your horse to get the salt and minerals he needs at a rate equivalent to his activity level.

BOOSTS ENERGY

Redmond Rock is an excellent, proven electrolyte for active horses, supporting their athletic and energy demands.

DAILY GOLD™

STRESS RELIEF

**STRESS
RELIEF**

Daily Gold helps minimize stress in horses. Stress is one of the main causes of ulcers.

6

Benefits of Daily Gold™

**ULCER
RELIEF**

Daily Gold helps neutralize the acid levels in your horse's stomach allowing him to more easily digest his food.

**TOXIN
BINDING**

Daily Gold binds over 99% of Aflatoxin B1 that is commonly found in horse feed.

**COLIC
RELIEF**

Daily Gold helps bring your horse's digestive system into check. A healthy digestive tract can help pacify your horse and minimize behavioral problems.

**TRIGGER FOR
HYDRATION**

Daily Gold helps trigger your horse's urge to drink more water.

**DIGESTIVE
SUPPORT**

Daily Gold helps your horse digest his food comfortably, can help prevent diarrhea, and keeps regular movement through the gut.
