

BRIO PRO 1000CC

COMMERCIAL STEAM CLEANING SYSTEM WITH CSS

The new Brio Pro 1000CC takes on the most challenging cleaning and sanitizing jobs with ease. From hospitals and schools to restaurants and hotels the 1000CC beats the performance and price of comparable machines in the steam-cleaning category.

Steam deodorizes and sanitizes with heat and moisture and since the only ingredient required for the Brio Pro 1000CC is water, commercial cleaning has never been safer, healthier, more cost-effective or environmentally friendly. The premium choice for professionals and the most discerning homeowners.
