NET WT: 5 oz. (141 g)

Scarlex[®] Scarlet Oil Spray Wound Dressing is a soothing, slow-drying antiseptic dressing for minor skin lesions, surface wounds, cuts, and burns. Indicated also for superficial dermatitis. Contains 500 applications.

Farnam[®] Scarlex[®] Scarlet Oil Spray Wound Dressing provides your favorite Scarlet Oil dressing in an easy-to-use pressurized spray bomb, with P-Chloro-M-Xylenol added. P-Chloro-M-Xylenol is both a germicide and fungicide, and many times more powerful than Phenol, yet is non-irritating to skin tissue.

DIRECTIONS – SHAKE WELL

Remove protective cap. Point nozzle opening toward wound or affected area to be treated. Spray from a distance of 2 to 4 inches. Release spray by pressing valve stem down for just an instant. A one second application over the area to be treated provides an adequate dosage. Application should be repeated daily until healing takes place. When possible, affected areas should be clean and dry prior to application. Do not use on exceedingly large areas or in deep wounds.

CAUTION: For external use only. In case of deep or puncture wounds or serious burns, consult veterinarian. If redness, irritation, or swelling persists or increases, discontinue use and consult a veterinarian. Avoid contact with eyes and mucous membranes. This product is to be used on non-food producing animals only.

ACTIVE INGREDIENTS: Methyl Salicylate .45%, P-Chloro-M-Xylenol .45%, Benzyl Alcohol 2.80%.

INACTIVE INGREDIENTS: Mineral Oil, Pine Oil, Eucalyptus Oil, Red Coloring and Hydrocarbon Propellents.

DANGER! EXTREMELY FLAMMABLE. Do not spray near sparks, heat, or open flames. Vapors will accumulate readily and may ignite explosively. Keep area ventilated during use and until all vapors are gone. **DO NOT SMOKE** — Extinguish all sources of ignition.

CONTENTS UNDER PRESSURE. Avoid prolonged exposure to sunlight or heat from radiators, stoves, hot water, and other heat sources that may cause bursting. Do not puncture, incinerate, burn, or store above 120° F. Do not discard empty can in home garbage compactor.

VAPOR HARMFUL. Use with adequate ventilation. Avoid continuous breathing of vapor and spray mist. **AVOID SKIN AND EYE CONTACT.** Must wear gloves. In case of eye contact, flush thoroughly with large amounts of water for 15 minutes and get medical attention. For skin contact, wash thoroughly with soap and water. In case of respiratory difficulty, provide fresh air and call physician. **INTENTIONAL MISUSE BY DELIBERATELY CONCENTRATING AND INHALING THE CONTENTS MAY BE HARMFUL OR FATAL. KEEP OUT OF REACH OF CHILDREN.**

NOT FOR HUMAN USE
