**FILL & SET SPREADER**

*Llene y ajuste el esparcidor*

GREEN MAX™ SPREADER SETTING	RECOMMENDED Covers	REGULAR Covers
Scotts® Broadcast / Rotary Spreaders Eparcidores por voleo / giratorios Scotts®	3¾	3¼
Scotts® Drop Spreaders Eparcidores por goteo Scotts®	7½	7

Scotts® products are designed to work only with Scotts® spreaders. Los productos Scotts® están diseñados para funcionar únicamente con los esparcidores Scotts®.  
This package applies 3.33 lb of product per 1,000 sq ft at the regular rate. Con este paquete se aplican 1.1 kg de producto por cada 93 m² a la proporción normal.  
Florida and New Jersey use Regular Rate. En Florida y Nueva Jersey, utilice la Proporción Normal.

**APPLY**

*Aplique*

For even application walk at a steady pace slightly overlapping each pass. Scotts® Drop Spreaders: Align hopper arrow with previous wheel track. Scotts® Broadcast / Rotary Spreaders: Each pass should be within 5 ft of the other to ensure an overlap. For best results, lightly water in. Para asegurar una aplicación uniforme, camine a ritmo constante superponiendo ligeramente cada pasada. Eparcidores por goteo Scotts®: Alinee la flecha de la tolva con la huella anterior de la rueda. Eparcidores por voleo / giratorios Scotts®: Cada pasada debe superponerse a menos de 1.5 metros de distancia de la pasada anterior para asegurar la superposición. Para obtener resultados rápidos, riegue ligeramente.

**CLEAN-UP**

*Limpie*

Return unused product to original container. Help keep our water clean. Apply only to actively growing turf. Do not apply if heavy rain is expected. Apply this product only to your lawn, and sweep any product that lands on the driveway, sidewalk, or street back onto your lawn. Vuelva a colocar el producto no utilizado en el envase original. Ayude a mantener nuestra agua limpia. Aplique al césped que esté creciendo activamente. Únicamente. No aplique cerca de agua, desagües de tormenta o zanjas de drenaje. No aplique si se pronostican lluvias intensas. Aplique este producto solamente sobre césped y barra hacia el césped el producto que caiga sobre la entrada de automóviles, la acera o la calle.

**ENJOY**

*Disfrute*

Lawn is safe to re-enter immediately after product is applied. Es seguro acceder al césped inmediatamente después de la aplicación del producto.

**TIPS FOR LAWN CARE SUCCESS**

**Feed Regularly**

Regular feedings provide the nutrients your lawn needs to look its best and withstand the stresses of weeds, heat, drought & family activity.

**Benefits of Multiple Feedings**

1 ANNUAL FEEDING    2-3 ANNUAL FEEDINGS    4 ANNUAL FEEDINGS

**Mow and Leave the Grass Clippings On Your Lawn**

Mowing high allows the grass to develop a deep root system & helps your lawn use water more effectively. Grass clippings recycle the plant nutrients back into the soil.

**Conserve Water**

Well-kept lawns are more efficient at using available water. Feeding with Scotts® lawn food helps grow a thick lawn with more roots to better absorb water and nutrients than an unfed lawn. This helps protect your lawn against heat, drought and other stresses. Remember, your lawn will begin to wilt when water is needed. As much as possible take advantage of nature's sprinkler and rely on the rain to water your lawn.

**SCOTT'S® RECOMMENDED FEEDING ROUTINE**

**EARLY SPRING**

An early spring feeding helps grass green-up after the winter. You should feed around the first time you mow your grass.

**LATE SPRING**

Feeding now prepares grass for summer stress by thickening the blades on top and building deep roots below.

**SUMMER**

A summer feeding provides grass the nutrients it needs to thrive during the harsh summer months. In the north you should feed your grass in early summer.

**FALL**

A fall feeding helps grass recover from the stresses of summer and store nutrients for the winter months.

**Florida Applications:** 4 annual feedings with the following exceptions: On centipede grass do not exceed 2 feedings in the north and 3 feedings in the central and south. On bahiagrass and zoysiagrass do not exceed 3 feedings in the north.

**Scotts® & Your Environment**

**We care - Scotts® products are designed with care to grow a thicker, greener lawn. A Green Lawn is a Good Lawn - A healthy lawn cleans the air, produces oxygen and prevents runoff and soil erosion. You can make a difference - Help keep our water resources clean. Apply this product only to your lawn, and sweep any product that lands in the driveway, sidewalk or street back on to your lawn.**

**FIRST AID AND STORAGE INFORMATION**

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION:** Eye contact with contents may cause irritation. Flush eyes with water as soon as possible after contact.

**STORAGE**

Store in original container, out of reach of children.
