LAWN REPAIR MIX

MEZCLA PARA REPARAR CESPED

SUN & SHADE MIX*

PatchMaster® Lawn Repair Mix makes it easy to repair bare spots in your lawn. Everything you need to seed is pre-mixed and ready to grow:

Grass Seed

Mixture of premium perennial ryegrass, fine fescue and Kentucky bluegrass selected to blend with your existing lawn.

100% Recycled Mulch

Recycled paper mulch that is biodegradable and helps keep the seed moist and in place during establishment.

Food for New Grass

An essential nutrient seedlings need for fast growth and thick results.

HOW TO APPLY: ES TAN FACIL COMO!

1
PREP

Remove dead grass and loosen the top 1 to 3 inches of soil. For hard soils, apply a thin layer of Scotts® Turf Builder® LawnSoil™.

Retire el césped muerto y afloje de 2.5 a 8 cm de la capa superior de la tierra. Para suelos duros, agregue una capa delgada de Scotts® Turf Builder® LawnSoil™.

2
APPLY

Spread a thin layer of Scotts® PatchMaster® Lawn Repair Mix over the entire bare spot. Do not exceed 1/2 inch in depth.

Esparza una capa delgada de Scotts® PatchMaster® Lawn Repair Mix sobre toda el área descubierta. No exceda de 1 cm de profundidad.

3
WATER

After a deep and thorough initial watering, continue to water daily or as needed to keep the seedlings moist.

Después de un regado inicial abundante y completo, continúe regando a diario o según sea necesario para mantener húmedas las plántulas.

HELPFUL TIPS

- Fall and Spring are the best times to plant PatchMaster® Lawn Repair Mix because the seed germinates best when daytime temperatures are between 60°F and 80°F.
- Keep kids, pets, foot traffic and lawn mowers off the newly planted seedlings until the grass is 3 inches high.
- Mow new seedlings as soon as they reach normal mowing height.
- Do not apply weed control products until the grass is well established (mowed at least 4 times). Additionally, if you recently used a weed control product, refer to the product instructions to determine how soon you can plant grass seed.
- Feed your new grass every 4-8 weeks with Scotts® Turf Builder® Lawn Food to strengthen and help protect your lawn against future problems.

If for any reason you, the consumer, are not satisfied after using this product, you are entitled to get your money back. Simply send us original evidence of purchase and we will mail you a refund check promptly.

Notice To Florida, Georgia And Washington Consumers

Some states require arbitration prior to maintaining certain legal actions against sellers of seed. The seed laws of Florida and Georgia, as a prerequisite to maintaining legal action based upon failure of the seeds to produce as represented, require that a sworn complaint must be filed with the Department of Agriculture accompanied by the required filing fee, and a copy of the complaint shall be sent to the seller by certified mail within such time as to permit inspection of crops, plants or trees. Further information may be obtained from a state's Department of Agriculture.

CAUTION: KEEP OUT OF REACH OF CHILDREN

Eye contact with contents may cause eye irritation. Flush eyes with water as soon as possible. Avoid contact with clothing and wash hands with soap and water after handling.

PRECAUCION: MANTENER FUERA DEL ALCANCE DE LOS NIÑOS

El contacto del contenido con los ojos puede ocasionar irritación. En caso de haber contacto, lave los ojos con agua lo más pronto posible. Evite el contacto con la ropa y lave bien las manos con agua y jabón después de manipular el producto.

- 99% Biodegradable
- 95% Renewable Resources
