

**Mane
'n Tail®**

**The Original
Hoofmaker®**

*Intensive
Protein Enriched
Moisturizer*

Net Wt. 32 Oz. (907g)

Straight Arrow →

Regular use of **The Hoofmaker®** will help maintain strong, yet flexible hooves on your horse. It moisturizes to help reduce the incidence of dry, brittle and inflexible surfaces. Consult your local veterinarian or farrier for additional hoof care advice. Use of **The Hoofmaker®** leaves the users' hands, nails, cuticles and skin feeling smooth and moisturized. Dries quickly without a greasy residue.

DIRECTIONS FOR HUMAN USE

Apply to hands, nails, cuticles and skin as necessary. Massage into dry skin, especially hands, elbows and feet.

DIRECTIONS FOR USE ON ANIMALS

Apply by hand, covering the entire hoof surface including coronary band, walls, frog and sole. Massage in with fingertips, leaving a thin, even film to absorb into the hoof. Apply daily or as recommended by your professional equine authority.

GENERAL PRECAUTIONS:

Not for internal use. Keep out of eyes and mucous membranes. Keep from freezing.

INGREDIENTS: Water, Stearamidopropyl Dimethylamine Lactate, Distearyltrimonium Chloride, Cetearyl Alcohol, Polysorbate 60, PEG-150 Stearate, Steareth 20, Cetyl Alcohol, Stearyl Alcohol, Glycerine, Coconut Oil, Sodium Chloride, Vegetable Oil, Fragrance, DMDM Hydantoin, Methylparaben, Propylparaben, Hydrolyzed Protein, Lanolin, PEG-25 Castor Oil, Allantoin, FD&C Yellow #5, FD&C Yellow #6.
