### Product Description

The SureKill® Total Release Aerosol is designed to combine fast flushing and quick knockdown of insects with excellent residual control.

### Purpose

For use indoors in homes as a fast-acting, general purpose fogger for a wide variety of flying and crawling insects. Approved for use in food and non-food areas. One fogger can treat up to 6,000 cubic feet of unobstructed space. The water based formula provides a low to no odor solution to pest problems with the reduced potential of staining.

*Please see this product's entire label and follow all use directions and use precautions. Use only for the sites, pests, and application methods described on the product label. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.*
