

# ThermaCELL®

## MOSQUITO REPELLENT

# BACKYARD TORCH

## COMPLETE YARD DEFENSE

New for 2014, the ThermaCELL Mosquito Repellent Backyard Torch offers a stylish way to protect your yard. Simply place the stakeable torches around your backyard or outdoor event to establish a protective barrier that keeps mosquitoes away and creates a perfect party atmosphere.

### FLAMELESS FLICKER

Internal LED light flickers to simulate natural flame.

## MULTI-PURPOSE TORCH

- Multi-purpose Torch with adjustable pole easily converts for table-top use
- Perfect for any event – from backyard barbecues to outdoor weddings
- Creates a 15 x 15 ft Zone of Protection against mosquitos and black flies
- Removable cover allows Torch to be kept outside when not in use
- Use multiple units to cover larger areas

**Limited quantities available, first come first serve**
