FIFRA 25(b) exempt product:

W. Neudorff GmbH KG represents that this product is exempt from registration pursuant to FIFRA 25(b). This product has not been registered by the United States Environmental Protection Agency (EPA).

Precautionary Statements: CAUTION: Keep out of reach of children and pets. Avoid direct contact with eyes and mouth. May be harmful if swallowed. May cause eye irritation or skin rash on sensitive skin types. Wash hands after use. Do not use if allergic to the product.

PERSONAL PROTECTIVE EQUIPMENT (PPE): Protective eyewear and chemical resistant gloves must be worn when mixing and spraying.

First Aid

If in Eyes: Immediately rinse eyes with plenty of water, also under the eyelids, for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Keep eye wide open while rinsing. Do not rub affected area. Get immediate medical attention/advice.
If on Skin: Immediately wash off skin with soap and plenty of water for at least 15 minutes. May cause an allergic skin reaction. See a physician in the case of skin irritation or allergic reaction.
If Swallowed: Clean mouth with water and drink plenty of water afterwards. Never give anything by mouth to an unconscious person. Do not induce vomiting. Call a physician.
If Inhaled: Remove to fresh air. Get immediate medical attention if symptoms occur.
For medical emergencies involving this product, call the Poison Control Center toll-free 1-800-222-1222.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.
Storage: Keep container closed when not in use. Store locked up in a cool, dry place away from direct sunlight and inaccessible to children and pets.
Disposal: Non-refillable container; do not reuse or refill this container. Place in trash or offer for recycling, if available. Dispose of contents/container in accordance with local regulations.

DIRECTIONS FOR USE

Read entire label before using. Use only according to label Precautionary Statements and Directions.

Shake well before using.

Use Sites:

Includes, but is not limited to, treating areas around commercial buildings, homes, schools, play structures, docks, patios, public spaces/venues, horse barns, golf courses, non-food greenhouses, landscaped areas, lawns, turf, parks, and recreational areas. For best results, apply to and around shrubs, bushes, trees, lawns, wood piles, vegetation around bodies of water, patios, porches, and shaded and moist areas. Apply deep into heavy vegetation to reach resting or harboring mosquitoes, ticks and other nuisance insects.

Application Directions:

Shake the product well. Apply at a dilution rate of 5% (1 in 20) for normal pest pressure and 10% (1 in 10) for heavy pest pressure/infestation. Apply to the point of runoff. Reapply every 21 days (3 weeks) or as needed. One gallon of diluted product covers 500-1,000 square feet.

Pest Pressure	Dilution Rate	Application Volume
Normal pest pressure	6 fl. oz./gal	1 gal/500 to 1,000 sq. ft.
Heavy pest pressure	12 fl. oz./gal	1 gal/500 to 1,000 sq. ft.

May be applied using hand-held, hose-end, backpack sprayers, fogging equipment, misting systems (including mist sprayers and mist blowers), automated spray systems, and/or related application technologies. Follow dilution directions on this label and sprayer manufacturer directions. Use mixed solution within 24 hours and maintain light agitation during use.

Application Restrictions:

- For sensitive surfaces such as vinyl, plastic, fabric, wood floors, etc., test a small non-visible area first before spraying. This includes vinyl siding, outdoor furniture, windows, etc.
- This product is not expected to cause phytotoxicity. If concerned about particular plant sensitivity, test treat a small area first and wait 48 hours to determine if burning occurs.
- Do not spray on food-bearing plants/trees.
- Do not spray on food contact surfaces, or wash surfaces before use.
- Do not apply product directly to surface water.
- For outdoor use only.
- Allow product to dry before re-entering treatment area.

Conditions of Sale and Warranty

W. Neudorff GmbH KG ("Neudorff") warrants that this product conforms to its description and is reasonably fit for the purposes stated on the label only when used in accordance with the label directions under normal use conditions. Since timing, application method, weather/ground conditions, mixture with other products and other factors affecting this product's use are beyond Neudorff's control, no warranty is given concerning the use of this product contrary to label directions or under conditions that are abnormal or not reasonably foreseeable. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, NEUDORFF MAKES NO OTHER WARRANTIES EITHER EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE. Handling, storage and use of this product by Buyer or User are beyond Neudorff's and Seller's control. Risks, such as ineffectiveness or other unintended consequences, will be assumed by the Buyer or User. To the extent consistent with applicable law, IN NO CASE WILL NEUDORFF OR SELLER BE HELD LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE HANDLING, STORAGE OR USE OF THIS PRODUCT, NOR HELD RESPONSIBLE FOR INJURY OR LOSS AS A RESULT OF THIS PRODUCT'S HANDLING OR USE.
