

Top Surf®

80/20 Nonionic Surfactant and Humectant

Principle Functioning Agents:

Branched alkyl phenol ethoxylate, 1,2,3-Propanetriol, 1,2 dihydroxypropane.....	80.0%
Constituents Ineffective as Spray Adjuvants:	<u>20.0%</u>
Total	100.0%

All ingredients are exempt from the requirements of a tolerance as specified under Title 40 CFR part 180.

KEEP OUT OF REACH OF CHILDREN

WARNING

Causes eye irritation.

PRECAUTIONARY STATEMENTS

Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco.

Personal Protective Equipment (PPE): Wear eye and face protection.

FIRST AID

IF IN EYES: Rinse cautiously with water for 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. In case of medical emergency, call toll free 1-877-424-7452.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

Storage: STORAGE ABOVE 40°F is recommended. If product is stored below 40°F, warm and agitate (recirculate) prior to use. Store in a secure, cool, dry and well-ventilated area away from children, food and feed products. Keep container tightly closed when not in use. Store in original container only.

Disposal: Do not reuse or refill this container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. Contact your state and local ACRC recycler or visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a manner allowed by local, state and federal laws and regulations.

DIRECTIONS FOR USE

Top Surf is a surfactant and humectant designed for use in certain agricultural and horticultural sprays.

Refer to the pesticide label for specific crop use and application rates. Prior to use, read and follow all directions on this label and on the label of the pesticide being used. Use according to the most restrictive label directions for each product in any tank mix.

If the applicator does not have experience using this product, a phytotoxicity and jar test must be performed to facilitate crop safety and tank mix compatibility.

Suggested rates for use with various categories of chemicals are as follows:

Chemical Group	Pints of Top Surf to Add Per 100 Gallons of Spray Mixture
Insecticides, Miticides & Fungicides	0.5 to 2 pints
Herbicides	1 to 4 pints
Glyphosate Formulations Without Added Surfactants	8 pints
Defoliants & Desiccants	1 to 4 pints
Fertilizers & Micronutrients	0.5 to 2 pints
Livestock Sprays	0.25 to 0.5 pints

For local recommendations consult a competent agricultural authority.

Cotton Pickers: Use about 4 to 6 ounces per 50 gallons of water, or 2 to 3 ounces per 25-gallon picker tank. While filling tank with water, add Top Surf when about one-half full. Mix thoroughly with water by circulation or by stirring.

Gins: Use at the rate of 6 ounces of Top Surf to 50 gallons of water for restoring moisture to cotton.

Aerial Application: When applying aerially, follow pesticide label directions including minimum water volume per acre. Do not substitute Top Surf for water required by the pesticide label.

Aquatic Application: Apply at the rate recommended as described by pesticide label.

NOTICE OF WARRANTY

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
