

Turf Vantage™

Microhance™

CONTAINS 6 IMPORTANT NUTRIENTS

Microhance™ offers a unique blend of six important nutrients. Utilized as part of a turf management program, this product can improve plant performance and address potential deficiencies. Microhance™ should be used on established grass only and as a supplement to your fertility program as needed.

- For use on Lawns, Specialty Turf, Sod, Athletic Fields, Parks and Green Spaces
- Contains 3% Nitrogen with Sulfur, Boron, Iron, Manganese and Zinc – safe to use on all established grasses and all soil types
- Easy to use and tank-mix compatible with most fertility, herbicide, insecticide and fungicide products

Information regarding the contents and levels of metals in this product is available on the Internet at: <http://www.aapfco.org/metals.htm>

WARNING

This product is intended only for the prevention and correction of boron, iron, sulfur, manganese and zinc deficiencies. Overuse, or use under conditions other than those recommended, may result in serious injury to the plant. Monty's recommends use only in accordance with the recommendations of a qualified agronomist or dealer.

DO NOT APPLY NEAR WATER, STORM DRAINS, OR DRAINAGE DITCHES. DO NOT APPLY IF HEAVY RAIN IS EXPECTED. APPLY THIS PRODUCT ONLY TO YOUR LAWN/GARDEN AND SWEEP ANY PRODUCT THAT LANDS ON THE DRIVEWAY, SIDEWALK, OR STREET, BACK ONTO YOUR LAWN/GARDEN.

STORAGE AND HANDLING

Do not allow the product to freeze. This product will freeze at or below 32 degrees. Keep container closed when not in use. This product contains organic materials which may settle and should be shaken or stirred if stored.

PRODUCT USE

TurfVantage™ Microhance™ is designed to deliver primary, secondary and micronutrients to increase growth and enhance the root development of plants. It improves plant vigor and reduces stress during critical stages of growth. Helps increase turf stamina, reducing the effects of stress and maintains color.

Turf Applications:

- Greens and Tees: Apply 1 ounce of TurfVantage™ Microhance™ blended in 3 to 5 gallons of water per 1,000 sq. ft. Apply monthly or when turf is under stress during the growing season.
- Fairways, Lawns, Athletic Fields and other Turf areas: Apply 1.5 to 2 ounces blended in 3 to 5 gallons of water per 1,000 sq. ft. Apply monthly during the growing season.

For warm season grasses apply one additional ounce per 1,000 sq. ft.

Ornamental Applications:

- Foliar: Blend 1-1.5 ounce in 20 gallons of water. Apply until spray runs off foliage.
- Soil application: When applying through drip line irrigation with an injector, add 2 to 3 ounces per gallon of water in your holding tank and set injector at 1:100 ratio.

Per Acre Application:

For equipment that is calibrated for per acre application, or for applicators who know how many acres "per tank" a mix will cover; TurfVantage™ Microhance™ should be applied at 1 to 2 quarts per acre, in a minimum of 15 gallons of water per acre.

USE OF MONTY'S TURF & ORNAMENTAL PRODUCTS

Monty's Turf & Ornamental Products are recommended as a supplement to your current fertilizer program. They are best applied to the seed or plant directly. We suggest taking a soil test and have a qualified independent lab analyze the samples to determine nutrient levels in your soils and then follow recommended applications to ensure proper nutritional levels.

Monty's Turf & Ornamental products are compatible with most chemicals. When tank mixing any Monty's products with other chemicals, Monty's suggests administering a jar test and/or a strip test before adding Monty's to your tank mix. When mixing with other chemicals, it is suggested to tank mix Monty's only after diluting the chemical according to label directions. Once mixed or diluted, product should be used within 48 hours. Please call 800-978-6342 with any questions.

LIMITED WARRANTY

Monty's warrants that this product meets its manufacturing specifications. If it does not, Monty's will, at its option, replace the product or refund the purchase price. In no event shall Monty's be liable for special, incidental or consequential damages or for damages in the nature of penalties. Monty's shall not be liable in any way for claims resulting from any use of this product which is not in strict accordance with all directions, cautions and warnings on the label or labels.
