FOR USE IN AND AROUND: Commercial, Industrial, and Residential Buildings including Apartments, Garages, Food Storage Areas, Homes, Hospitals and Nursing Homes, Hotels, Meat Packing and Food Processing Plants, Motels, Office Buildings, Restaurants and other Food Handling Establishments, Schools, Supermarkets, Transportation Equipment (Buses, Boats, Ships, Trains, Planes) and Warehouses

DIRECTIONS FOR DRAIN CLEANING AND ODOR REDUCTION/ELIMINATION

DRAINS

Clean-Out: Apply 4 - 8 fl oz/drain. Repeat as necessary. For faster results flush with 2 - 4 gal of water.

Maintenance: Apply 2 - 4 fl oz/drain. Repeat as necessary. Recommended 1 - 2 applications per month.

SURFACE TREATMENT

For use in odorous areas such as restrooms, janitorial closets, food preparation floor areas, garbage containers, dumpsters and surrounding areas. Apply 2 - 4 fl oz using a trigger sprayer to odorous areas. For large services dilute 4 - 8 fl oz/gal of water and apply with a mop, compressed air sprayer or through a power washer. Repeat as necessary.

To avoid or prevent slipping, deny entry to wet area until completely dry.

STORAGE

Store in a cool, dry location. Avoid prolonged exposure to high or low temperatures and humidity. Avoid temperatures above 110°F and keep from freezing.

CAUTION

KEEP OUT OF REACH OF CHILDREN

Avoid contact with eyes. May cause eye and skin irritation after prolonged or repeated exposure. Harmful if swallowed. Wash hands thoroughly after handling.

FIRST AID FOR EYES: Remove contacts and immediately flush eyes with plenty of water.

FIRST AID FOR SKIN: Remove contaminated clothes and wash skin with soap and water.

INGESTION: Call physician immediately, have a MSDS or product label on hand.
