**128 DAY
SUPPLY**

1/2 oz maintenance serving

DMG 3000™ concentrate

Product Facts

Active Ingredients per 1/4 oz:

N,N-Dimethylglycine hydrochloride750 mg

Inactive Ingredients:

Calcium silicate, dextrose, silicon dioxide

Cautions:

Safe use in pregnant animals or animals intended for breeding has not been proven.

If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

For use in horses only.

Recommended to support the circulatory system.

Vita Flex® DMG 3000™ formula is extra concentrated, with less filler, making it easier and more economical to give. Vita Flex® DMG 3000™ Concentrate delivers a minimum of 3,000 mg DMG HCl per ounce. DMG is a natural metabolic enhancer, favored by trainers and athletes. N,N-Dimethylglycine helps transport oxygen to break down glycogen, fueling the ATP cycle and creating energy in the body. DMG is a water-soluble ingredient and is readily absorbed. Vita Flex® DMG 3000™ concentrate is a premium quality, affordable source of dimethylglycine hydrochloride for horses.

Directions for Use:

- Enclosed level scoop holds 1/4 oz (by weight).
- Give 1 scoop (750 mg DMG HCl) twice daily for maintenance. Give 2 to 3 level scoops (1,500 to 2,250 mg DMG HCl) twice daily beginning 2 to 3 days before and during performance, or as directed by veterinarian. Severely stressed horses may benefit from additional amounts. Keep cool and dry. Reseal after each use.

Warnings:

For animal use only.

Keep out of the reach of other animals and children. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.
