

Master's Hoof Blend™
Supports Healthy Hoof Growth

Master's Hoof Blend™ supplement is one of the richest sources of biotin. It also supplies exceptionally strong levels of the essential amino acids Methionine and Lysine. In addition, you can count on Master's Hoof Blend™ supplement for a generous supply of structural sulfur, a full array of bioavailable chelated trace minerals, vitamin B₆ and a six-culture probiotic complex. Put it to work – you'll see why we say Master's Hoof Blend™ supplement gets the job done right the first time!

Ingredient Statement: alfalfa meal dehydrated, l-lysine, dl-methionine, sulfur, biotin, corn oil, calcium silicate, manganese proteinate, cystine, zinc proteinate, saccharomyces cerevisiae, natural and artificial flavorings, copper proteinate, aspergillus oryzae fermentation extract dehydrated, sorbic acid (preservative), pyridoxine hydrochloride, lactobacillus acidophilus fermentation product dehydrated, bifidobacterium longum fermentation product dehydrated, bifidobacterium thermophilum fermentation product dehydrated, enterococcus faecium fermentation product dehydrated and bacillus subtilis fermentation product dehydrated.

Feeding Directions: Enclosed scoop holds 1 ounce. Feed 1 ounce (1 scoop) per day for maintenance. Keep cool and dry. Reseal after each use.

For use in horses only.
Recommended to support healthy hoof growth.

Guaranteed Analysis	per lb	per oz
Crude Protein (min)	20.00%	20.00%
