

Product Facts

Active Ingredient per 1/3 ounce:

Methylsulfonylmethane (MSM) (99.8% pure) 9,430 mg

Cautions:

Safe use in pregnant animals or animals intended for breeding has not been proven.

If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

For use in equines, canines and felines only.

Recommended to support and maintain healthy joints.

Vita Flex® MSM is ultra pure methylsulfonylmethane, a naturally occurring source of bioavailable sulfur, an essential mineral for both large and small animals. MSM is a form of organic sulfur found in all living organisms and is the primary metabolite of DMSO (dimethylsulfoxide). Since 1988, horsemen and pet owners have relied on the quality and value of Vita Flex® MSM to deliver the benefits of this unique ingredient.
