- Natural & Balanced Alternative to Glucosamine & Chondroitin
- Safe for Dogs & Cats of All Ages
- Natural & Organic
- Highly Absorbable
- Contains Proteins That Contribute to Growth & Energy
- Eggshell Membrane Technology

How to Use It

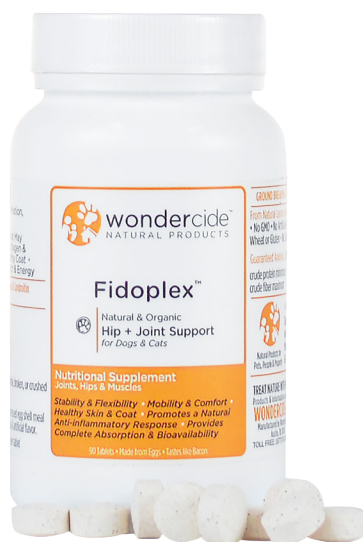

A 90-count bottle of Fidoplex will provide between 30 & 90 days of joint support (depending on the size and weight of your dog or cat). Clear weight and suggested dose recommendations can be found on our Fidoplex label. Fidoplex may be chewed as a treat, swallowed whole, broken, or crushed into powder and sprinkled on food. Pets love it because it tastes like bacon!
