

Utilizing the powerful scent of essential oils, safely repel deer and rabbits with WILCO deer and rabbit repellent balls! The house always wins, make deer and rabbits lose with Wilco Deer and Rabbit Repellent!

Directions for Use: Place balls in areas where deer and rabbits may be a problem. Entry and exit points of deer and rabbits are the optimal placement location of balls. Balls may be placed along the base of trees, fence posts, in garden beds, or other areas necessary to keep deer and rabbits away. Replace balls every 30 days or sooner if needed. Multiple balls are recommended for effective treatment of larger areas.

Use in these places:

- 1) Gardens, landscapes, low-growing flower beds
- 2) Along fences, trees, etc.

Storage and Disposal: Store and transport in original sealed packaging product was purchased in. Store in a cool, dry place, inaccessible to children and pets. Do not attempt to modify or puncture. Only use product as intended. Packaging is not reuseable, discard packaging and balls in trash after use.

First Aid: For skin irritations from exposure: wash area thoroughly with soap and water. For eye irritations from exposure: hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. If irritation persists, seek medical attention.

This product is exempt from registration with the U.S. EPA under FIFRA section 25(b) regulations.

Caution: When placing balls on non-durable surfaces - such as wood, fabric, or paint - test first in an inconspicuous area to determine if product can discolor or damage surface. Use product with included trays when placing on non-durable surfaces. Keep out of reach of pets.
