

## KILLS, REPELS & PREVENTS

**KILLS FLEA LIFE CYCLE:** Egg, Larva, Adult Fleas

**KILLS TICK LIFE CYCLE:** Nymph & Adult Ticks

**KILLS & REPELS ADULT MOSQUITOES**

Replaces flea and tick drops, pills, and collars. Safe\* for dogs and cats of all ages, including senior dogs, around children, for daily use and as needed.

\*When used as directed.

## HOW TO KILL FLEAS & TICKS

For immediate relief, apply to pets and home as directed below. Spray all pets, bedding, furniture, and flooring, including carpet, to eliminate flea and tick life cycle. For best results, treat outdoor areas with Wondercide Flea & Tick for Yard + Garden.

## HOW TO PREVENT

Use as needed for ongoing protection. Apply to pets before visiting areas where pests may be present. Spray as often as desired to freshen pets and bedding. For best results, treat outdoor areas with Wondercide Flea & Tick for Yard + Garden year round.

## HOW TO APPLY SPRAY & PLAY!™

Shake before use.

**PETS** Rub coat in opposite direction and mist full body or, spray onto hands or cloth to apply. Do not soak pets. 4 oz size recommended for small pets. Test a small area on back of the neck 1 hour prior to full body application.

**HOME** From a distance of 8-12 inches, spray pet bedding and play areas. Test a small area on surfaces prior to full application.

**PRECAUTIONARY STATEMENTS** In case of eye contact, flush with water. Not for use on birds, snakes, aquatic environments, plants, or pets with compromised health. Surfaces may be slippery when wet. Consult a medical professional before using products containing peppermint oil during pregnancy or nursing.

Sensitivity may occur after use of any product. If signs of sensitivity occur, bathe pet with mild soap and discontinue use.

## OUR STORY

When you love someone, you do everything in your power to protect them. I thought I was keeping Luna safe by using commonly recommended flea and tick control. But when she experienced devastating side effects ranging from skin issues to organ failure, I knew there had to be a better way.

I founded Wondercide to protect pets, families, and homes without harsh chemicals. Today, our natural products protect packs of every kind, everywhere.

Stephanie & Luna
