

## FOR USE IN

Specifically designed with S'mores roasting in mind, the Zip S'morezy Roasting Log is convenient to use, mess free and family friendly. It is the ideal way to roast marshmallows for making a great S'mores sandwich with no need for firestarters, kindling or additional wood.

Just light the wrapper and after 15 minutes you can start roasting your marshmallows ready for making your S'mores. Its much S'morezy!

Burns up to 90 minutes.

### Warning Zip S'morezy Roasting Log:

For use in outdoor fires, chimineas, fire pits and other open appliances suitable for coal or wood fires. **Do NOT** use on a hot grate. In an emergency extinguish with a very wet rag or sand. **Do NOT** use on a barbeque. Keep away from children and pets.

## USAGE INSTRUCTIONS

Do not remove from wrapper.

Place the S'morezy Roasting Log in your outdoor fire, chiminea, fire pit or open appliance suitable for wood fires, with the horizontal seam at the top.

Grasp the wrapper at both ends and pull outwards and then carefully pull the middle seam upwards. Light the wrapper at both ends.

After 15 minutes you will have a fire to start roasting marshmallows and making S'mores.
