

EcoVia™ G

granular insecticide

Highly Effective, Broad Spectrum Granular Insecticide that Meets Customer and Regulatory Demands for a Green Solution

Product Code:
EVG1010: 10 lb zipper bag

Research-Based Botanical Insecticide, EPA Exempt 25(b) Product

Contains a Higher Level of Botanical Active Ingredients For Lower Use Rates

Over twice the level of active ingredient compared to other 25(b) granules. Low use rates of 1 to 2 lbs per 1000 square feet.

Provides Quick Control and Residual Protection

Labelled for crawling insects and mosquitoes.

Ideal for Mosquito and Tick Control

Apply to turf, landscaped areas, ground cover vegetation and wooded areas.

The Perfect Complement to Mosquito Sprays for Targeted Applications

For landscape areas with heavier growth and the boundary between wooded areas and turf, or as a stand-alone full-yard treatment.

Can Be Used for Outdoor Perimeter and Yard Applications

Provides the Ultimate in Application Flexibility

No pyrethroid or neonicotinoid application restrictions.

Green Zone™ Product

Naturally derived active ingredient.

Suitable for green service programs.
