EcoSMART

Now there is an organic insecticide that is safe to use around children and pets and won't harm the environment. EcoSMART Organic Home Pest Control is made from a patented blend of organic plant oils. It kills bugs fast, without any synthetic toxins or harmful residue. It's safe. It's effective. It's smart. Naturally.

To learn more about EcoSMART and its entire line of organic pesticide products, please visit our web site at www.ecosmart.com.

FRESH NATURAL SCENT SIGNALS IT'S WORKING.

KILLS AND REPELS: Ants (including Carpenter, Red Harvester, Pavement and Argentine), Beetles, Centipedes, Cockroaches, Crickets, Earwigs, Fleas, Millipedes, Pantry Pests, Pillbugs, Silverfish, Spiders, Sowbugs, Ticks and other crawling insect pests.

DIRECTIONS FOR USE: INSTRUCCIONES DE USO:

SHAKE WELL BEFORE USING. READ ENTIRE LABEL AND USE ACCORDINGLY. AGITE BIEN ANTES DE USAR. LEA TODA LA ETIQUETA Y SIGA LAS INSTRUCCIONES DE USO.

LA TRADUCCIÓN COMPLETA EN ESPAÑOL DE ESTA ETIQUETA PUEDE SER ENCONTRADA EN WWW.ECOSMART.COM

BEFORE APPLYING PRODUCT:

If applying in pantry area, it is recommended to remove items from pantry to allow best access. If applying outside as a barrier treatment, remove debris and leaf litter from around the foundation, cut back vegetation and branches that touch the foundation and remove or rake back deep mulch, rocks or other potential pest harborage sites next to the foundation.

INDOOR APPLICATIONS:

Turn nozzle to "spray" or "stream" position before using. Spray areas where insect pests are found or normally occur, including dark corners of rooms and closets, cracks and crevices in walls/cabinets, beneath and behind built-in appliances, sinks, cabinets, around plumbing pipes, garbage cans, window frames and doorways and in attics, basements and crawl spaces. Contact as many insects as possible.

FOR CONTROL OF FLEAS AND TICKS: Thoroughly spray pet beds, resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor covering where fleas and ticks may be present. Pet bedding should be replaced with clean, fresh bedding after treating area. To control the source of flea infestations, pets should be treated with a product approved for application to animals.

Spray until wet but not soaking. Repeat as necessary.

OUTDOOR APPLICATIONS:

Turn nozzle to "spray" or "stream" position before using. Apply a 12 inch wide band along the exterior perimeter of your home. Contact as many insects as possible. Spray until thoroughly and uniformly wet. Apply along the foundation, around window frames and doorways, around vents and utility line entry points and along eaves. Contact as many insects as possible. Repeat as necessary.

PRECAUTIONARY STATEMENTS: Caution—We recommend good safety practices when using any pesticide, such as avoiding contact with eyes and skin and keeping out of the reach of children. If product gets in eyes, flush with water. If on skin, wash with soap and water. If irritation persists, contact a physician.

NOTE: This product contains plant oils which are inherently fragrant. For people who are fragrance sensitive, please test a small application before using over a larger area. This product is non-staining to most home siding materials. However, before applying to any home siding (vinyl siding in particular), test in an inconspicuous area and recheck in a few hours. Do not use if any staining is observed. If applying to carpet or fabric, it is recommended to test an inconspicuous area for staining before using.

STORAGE AND DISPOSAL: Turn nozzle to off position. Store in original container in a cool, dry area and avoid excess heat. Keep from freezing. Do not reuse container. Offer for recycling if available or discard in trash.

LIMITATION OF LIABILITY: To the extent consistent with applicable law, EcoSMART makes no warranties of merchantability or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibility for safety and use not in accordance with label, directions and precautionary statements.

This product has not been registered by the United States Environmental Protection Agency. EcoSMART Technologies, Inc. represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act.
