Repels dogs & cats from plants and flowers, trees, garden beds and planters, lawns, garbage bags and more.

DIRECTIONS: Shake well before using

Spray plants and surrounding areas well with repellent. Long standing bad habits are harder to break, initial applications may need to be more frequent and heavier. Once habits are broken, reapply as needed to maintain avoidance, usually every 1-3 weeks.

May be used in conjunction with I Must Garden Dog & Cat Granular Repellent.

Made with all natural plant oils. Will not harm animals or plants.

Recommended for outdoor use. If using indoors (example: to keep cats from digging in flowerpots) or in enclosed spaces, always test for staining and odor acceptability.

Covers up to 1000 Sq Ft

I Must Garden takes pride in providing safer alternatives for gardening and pest control. Our all natural products are safer around children and pets.

I Must Garden represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act.

Our Guarantee

If you are not 100% satisfied with our product, we will refund the suggested retail price or replace the product. I Must Garden will not be liable for any direct or incidental damage. Product refund or replacement is our only obligation. Limit one per household.
