32 FL OZ  
(1 QT, 946 ML)

Prevent damage to buds, flowers,  
bulbs, outdoor furniture, planters and more.  
I Must Garden Squirrel Repellent harmlessly repels by  
smell and taste to stop destructive chewing and gnawing.

Not intended to repel squirrels from bird feeders.

**DIRECTIONS: Shake well before using**

**PLANTS:** Spray flowers, leaves and buds. **BULBS:** Coat bulbs with repellent and let dry before planting. **MISC:** (Garbage cans, outdoor furniture, planters, etc): Thoroughly coat objects and surrounding area with repellent.

**Re-spray** as needed, usually every 2-3 weeks depending on weather conditions and squirrel population. During periods of heavy rain or intense animal pressure more frequent spraying may be required. Non-organic objects (plastic, metal, concrete, etc) may initially require more frequent applications. Test product on inconspicuous area for damage or discoloration.

**Good gardening practice states to always wash fruits and vegetables thoroughly before consuming!\***

I Must Garden takes pride in providing safer alternatives for gardening and pest control. Our all natural products are safer around children and pets.

I Must Garden represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act.

**Our Guarantee**

*If you are not 100% satisfied with our product, we will refund the suggested retail price or replace the product. I Must Garden will not be liable for any direct or incidental damage. Product refund or replacement is our only obligation. Limit one per household.*
