PALM GRANULAR PLANT FOOD ABONO GRANULAR DE PALMA

FOR MORE LUSCIOUS PLANTS

NET WT. 4.0 LBS. (1.81 KG.)

*DESIGNED FOR YOUR ORGANIC GARDEN

Biozome[®] is Only Available in Jobe's Organics[®] Products

Jobe's Organics are made with Biozome, a unique and proprietary blend of beneficial microorganisms. These microorganisms break down complex materials and minerals to improve long-term soil quality, helping roots grow to absorb nutrients plants need. Biozome naturally re-establishes a balance between plant and soil.

Jobe's Organics is proud to provide you a full line of natural and organic alternatives.

Jobe's Organics products provide you with all-natural, chemical-free options that are safe to use around your family and pets. Look for more of our full line of Jobe's Organics.

Roots With Biozome

APPLY EVERY 2-3 MONTHS OR AS NEEDED

Trees

Feed existing trees at dripline.

Árboles

Los árboles se alimentan por la línea de goteo.

Estimate the length of the palm canopy as follows:

• Measure from the center of the palm trunk to the tip of the furthest reaching palm frond

• Use the chart below to determine the amount of product to apply

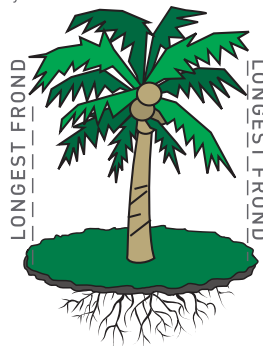

Estimar la longitud de la cubierta de palma:

• Medir desde el centro del tronco hasta la punta de la fronda más larga

• Usar la tabla siguiente para determinar la cantidad de producto a aplicar

Longest Palm Frond (ft.)	Jobe's Organics Palm (cups)
2	1
3	3
4	5
5	8
6	11
7	15
8+	+5 cups*

*per additional foot

Under the canopy, evenly spread Jobe's Palm plant food. Be sure to keep plant food at least 12" away from the base of the palm tree. Work plant food into soil and water well.

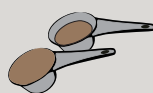

Bajo el dosel, distribuida uniformemente Jobe's Organics abono de palma. Aplicar por lo menos 12 pulgadas de distancia de la base del árbol. Trabajar en el suelo y el agua de pozo.

Pots & New Plantings

Work Jobe's Organics into soil before planting.

Macetas y Nuevas Las Plantaciones

Trabaja Jobe's Organics en suelo antes de la siembra.

1 1/2 TBS per 4" pot
1 1/2 TBS per 4" maceta

4"

1 1/2 cups per 16" pot
1 1/2 tazas por 16" maceta

16"

Jobe's Organics plant food will not burn your plants when applied at the above rates. Los fertilizantes Jobe's Organics no quemaran las plantas si se aplica en cantidades mayores que las indicadas.

Keep bag tightly closed, away from moisture and light. Mantenga la bolsa cerrada, alejada de la humedad y luz.

Keep out of reach of children. For best results use by the expiration date stamped on this bag.

4-2-4
