DIRECTIONS FOR USE:

For best results, start with a clean horse. However, Shine Baby Shine® can be applied to a wet horse just after a bath or while dry. Apply to animal by spraying directly onto the hair in an even coat, or spray onto a towel and rub over the coat. Stroke the hair flat in its natural direction with your palm, a fine brush, or a towel to help coat the hair evenly. For shiny, flowing manes and tails, spray evenly over the hair, then comb through.

IMPORTANT: Do not use on saddle area of the horse. Do not use on manes or tails if you intend to braid them.
