

All-natural **SolaMist Pro Concentrate™** controls mosquitoes, spiders, wasps, hornets, gnats, midges (no-see-ums) and many other types of small flying insects on contact. **SolaMist Pro Concentrate™ is non-toxic and poses no adverse risks to humans, pets, plants or the environment.** Nevertheless, it's deadly to insects and does not contribute to insecticide tolerance or resistance in insects.

MINIMUM RISK PESTICIDE: This product has not been registered by the United States Environmental Protection Agency. Remington Solar represents that SolaMist Pro Concentrate™ qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act.

CAUTION
Keep out of reach
of children

FIRST AID
If in eyes: Flush
eyes immediately
with water for at
least 15 minutes.

Manufactured by Remington Solar
5706 E. Mockingbird Ln, Suite 115
Dallas, TX 75206. Phone: 214-257-8300
www.RemingtonSolar.com

Instructions: Fill roughly 3/4 of the SolaMist unit with water **FIRST.** Add one full container of SolaMist Pro Concentrate. Top off with water. This will prevent foaming.
